I'M WIN  
IMMERSIVE INFINITY

FROM THE HOUSE OF HARMAN

## DON'T JUST LISTEN TO MUSIC, IMMERSE YOURSELF IN IT.

We no longer live in the age of acceptance, we question the normal and challenge how things are done settling for good enough is not our lexicon.

In our pursuit to reach music to all, it requires sometimes the audacity to start from square one. It is this dissatisfaction with the status quo that drives Generation Now music lovers, and us as brand Infinity.

At Infinity, we push beyond the comfort zone to create products that defy convention and drive sound forward.

If you're in, so are we. Welcome to the world of immersive sound.
