About *Revoir*

"Revoir" is derived from a French word, which means "meet again". With customer choice at the forefront, Revoir is redefining the lighting industry with innovative, energy-efficient and high-quality LED products.

Revoir, is an Oriano Venture. Founded in 2015, Oriano has been lighting up thousands of homes in India through Solar Energy. Oriano has a range of products from LED, Solar Kits, Solar EPC Solutions and Energy Storage Solutions. Oriano has 500 MW+ of solar projects executed and under development across 50+ sites and 10 states in India. Through solar power Oriano enables affordable clean solar power for homes, industries, SME and Utility-Scale power plants.

Oriano has contributed to community development and empowering low-income families. Oriano has converted over 1200 acres of vacant land into solar farms, generating electricity serving 659,000 Indian households, creating 4,400+ construction jobs and off-setting 21 Million (MT) of annual Co₂, equivalent of planting 11 million trees.

In 2018, Oriano was named "4th fastest growing technology company in India" by Deloitte Fast50, a ranking of the 50 fastest growing technology companies in India. Oriano was awarded "Energy Startup of the Year 2016" by the Entrepreneur India and "TECH30 company of the year 2016" by YourStory.
